Updates:

- KDHE –none
- KDEM- None
- HCCP of Kansas – Statewide Summit
- KHA- None
- SEKHCC Chairperson – None
- Clinical Advisor – Violence in Hospitals is prosecutable but it has to be against a licensed staff member. Johnson co has been added to the Kansas TB outbreak with Montgomery County. Please start including security staff in your planning meetings for Emergency preparedness if you do not already. Clinics that are being surveyed need to remember to have an HVA. You can use the one from the county you are located in.
- Coordinator: -
  - Survey monkey worked for the lunches so we will continue that.
  - National conference was good and a report will be given on conferences. We did learn that there is a Core 5 needed instead of Core 4 and that adds long term care to the list.
  - Storage unit- The current storage place is paid up until the end of the year. Looking for other options since the owner passed away earlier this year. Currently pay 2100/6 mo. Soome HCC members offered options Jaime M will get with them to discuss and bring back to the meeting.
- Hospital: Labette County seeing an uptick in Bed bugs- black lights help to kill them. Neosho memorial CMS survey went well, there is a new push for more cyber security and new guidelines coming out from regulatory agencies in 2024. Ascension Via Christi seeing some COVID flu and RSV. . Girard seeing rep viruses and GI. State Hospital has a cottage on quarantine for COVID these patients are particularly a fragile population.
- LTC: None
- Home Health/ Hospice: None
- EMS: Fredonia has had some accidents on 400, Crawford County Busy, Labette County has seen a lot of deer car accidents, South Central has seen several cocaine overdoses. Must use xylene instead of narcan for these.
- Emergency Management: Went to 4 corners and will report out in the next couple of months. Plans are due.
- Public Health- Lindsey Shaughnessy Public Health attended 4 corners, Planning a class for Seniorswith the SEK area agency on aging about insurance January 9th at the North community building lola. Bourbon County ER closing

- Community Health: None
