- Approval of previous Meeting Minutes (01/17/2024) Approval of today's Agenda

Presenters:

- Bloodborne Pathogens Training (Jamie Cravens)
- BNSF Railway Hazardous Materials (Adam Botilla)

Four Core & Healthcare Report:

- Public Health

City-Cowley County Health Department: End of Quarter 3 in PHEP Budget Period 5 – taking care of deliverables before the end of the quarter. SCMR Meeting & Mass Fatality TTX on Friday, March 22. Upcoming NACCHO Preparedness Summit (Mar. 25-28) – will be attended by 3 employees of the Health Department.

Sedgwick County Health Department, Stephanie Kowaleski (PHEP Manager) reported the following: In early February, we completed a Health EOC Call Down Drill that successfully tested communication protocols within this structure. We recently completed an ORR self-assessment to identify areas for improvement within our preparedness plans. During the week of 3/11, the PHEP team completed 3 DSLR Drills at a COVID/Pneumococcal Clinic to practice emergency POD procedures.

We have our ESF-8 Meeting on May 7th in the afternoon.

Cheryl Wright

I attended the meeting virtually for Sumner County Health Department.

Below is what I reported out on:

*PHEP Work Plan

*CRI member- completed Operational Readiness Review

*Participating in TTX this Friday (22nd) –Mass Fatality

*Preparing for Preparedness Workshop for Businesses

*Working with LTC on emergency exercise

Broderick Bean

CRI counties completed mock ORRs recently to validate plans and that the plans met certain set of standards. Plans should be revised from the findings of the ORRs.

Skip Cowen

Public Health: All departments are finishing up the 3rd quarter work plan. The SCMR region will be participating in a tabletop Mass Fatality exercise on 3/22. Several departments will be sending folks to Cleveland for the annual Preparedness Conference.

Julie Kallas Reno Count HD

Reno is currently finishing the PHEP and MRC Q3 deliverables. I am going to the PHEP summit in Cleveland next week. Preparedness Coordinator has finished all school inspections for Reno County. I'm working on wrapping up FIT testing also. Reno County Health Department will be implementing Everbridge as our emergency communications platform when I return from Cleveland.

➤ Hospitals

Dustin Thacker

Pawnee County – Working on a MCI from an impaired driver. EMS is working with the high school to put this on. The hospital, sheriffs department, fire department, mortuary, etc. will all be involved.

➤ EMS

Kyle Burch from SCEMS reports that last week the SCEMS DMSU O shift participated in the HCC medical tent and MCI training held in Park City. Practiced setting up the medical tents

➤ Emergency Management

Harvey County HD/ Em Mgt: Working to finish the work plan and we have a new Assistant EM: Lee Miller.

Kari Korthals Bulter Co. EM

Butler County was that we're doing all of our severe weather training deliveries right now and also planning for an EOC functional exercise.

➤ Clinical Advisor

Nothing to report

➤ Other facilities and agencies

Jilene Reichle

McConnell AFB is having an air show in August and there is a great deal to ensure there is enough water available for the public. If there is anyone that would like to donate water, they can contact me. Jilene.reichle.2@us.af.mil.
